Press Release

Recruitment event for qualified nurses and therapists

NEWLY-QUALIFIED and experienced nurses and therapists interested in working at Hampshire Hospitals NHS Foundation Trust are being invited to attend a special recruitment event.

A number of opportunities in a wide range of specialties and at various levels are currently available across the Trust, which runs Basingstoke and North Hampshire Hospital, Royal Hampshire County Hospital, in Winchester, and Andover War Memorial Hospital.

Nurses and therapists interested in advancing their career at Hampshire Hospitals are being invited to attend a nursing and therapy careers recruitment fair being held at The Ark, Basingstoke and North Hampshire Hospital, between 10am and 1pm on Tuesday 30 January.

Donna Green, chief nurse at Hampshire Hospitals, said: “I’m really looking forward to this event and meeting nurses and therapists who, like us, are passionate about patient care.

“People coming along will get the chance to look around some of our wards, hear about what we offer to preceptorship nurses, talk about how they would like to progress their careers and much more.

“We have a really wide range of opportunities available across the Trust and lots that we can offer nurses and therapists looking to make a change. We offer flexible shifts and give our nurses the chance to add to their skills and experience base by rotating between wards and departments.

“There are also lots of opportunities to progress at Hampshire Hospitals and every ward is led by an experienced clinical matron. They spend the majority of their time working clinically, passing on their skills to the next generation of nurses.”
